Llais y dysgwyr
What the learners say

"Mae Carlam Cymru bendant yn help anferthol i mi fel myfyriwr gan gynnig adnoddau ynghyd â chefnogaeth sy'n werthfawr iawn mewn cyfnod arholiadau."

"Carlam Cymru is definitely a huge help to me as a student, offering resources together with support which is very valuable during exams."

Cynradd Primary

"Mwynheais i sesiynau 'E-hangu Gorwelion e-sgol yn fawr iawn. Roedden nhw wedi eu trefnu yn arbennig ac roeddwn i'n teimlo fel eu bod wedi eu cynllunio yn arbennig ar fy nghyfer i!"

Uwchradd Secondary

"Rwy'n gweld fy ngwersi e-sgol yn ddiddorol ac yn newid cyflymdra braf o'r gwersi arferol."

"Heb y cwrs hwn, ni fyddwn yn gallu astudio mathemateg bellach, pwnc sydd nid yn unig o ddiddordeb mawr i mi ond sydd hefyd o werth wrth wneud cais i'r prifysgolion gorau, fel yr wyf yn bwriadu ei wneud. Ymhellach, mae darpariaeth technoleg wedi bod yn ddefnyddiol iawn wrth astudio'r cwrs, ac ni fyddai hyn yn bosibl heb e-sgol."

"I find my e-sgol lessons interesting and a nice change of pace from the usual in-person lessons."

"Without this course, I would not be able to study further maths, a subject which not only greatly interests me but also is of great value when applying to top universities, as I intend to do. Furthermore, the provision of technology has been greatly useful in studying the course, and this would not be possible without e-sgol."

Cynradd
Primary

Sefydlwyd adain cynradd e-sgol yn 2024 er mwyn cynnig ecwiti o ran profiadau i ddysgwyr ieuengaf Cymru. Mae sawl peilot wedi bod ar waith yn ystod misoedd cyntaf y flwyddyn.

- **Cewri Cymru: Adnoddau sy'n rhoi sylw i unigolion sydd wedi gwneud y mwyaf o'u gallu i siarad yr iaith Gymraeg. Mae'r pecynnau yn cynnwys fideo cychwynnol er mwyn cyflwyno'r cawr neu gawres, adnoddau darllen a deall wedi eu gwahaniaethu ar 11 lefel, a gwasanaethau byw achlysurol gyda'r cewri dan sylw.**
- **Yr E-steddfod: Cynhaliwyd wythnos o e-steddfodau rhwng ysgolion ar draws y wlad, gyda phob dysgwr yn cystadlu er mwyn ennill pwyntiau i'w hysgol yn fyw o'r safle!**
- **E-hangu Gorwelion: Cydweithiom gydag adran y Gymraeg, Prifysgol Aberystwyth, er mwyn creu modiwl o sesiynau cynganeddu o'r enw 'Llun mewn Llinell' ar gyfer dysgwyr talentog blynyddoedd 5 a 6.**
- **Ieithoedd Rhyngwladol: Treialom fodiwl o 4 gwers Almaeneg gyda'r Goethe Institut a brofodd i fod yn hynod o boblogaidd.**

An e-sgol primary sector was established in 2024 in order to offer equity in terms of experiences to the youngest learners in Wales. Several pilots have been in place during the first months of the year.

- Cewri Cymru: Resources that pay attention to individuals who have made the most of their ability to speak the Welsh language. The packages include an initial video to introduce the giant or giantess, reading comprehension resources differentiated at 11 levels, and occasional live assemblies with the giants in question.
- The E-steddfod: A week of e-steddfodau were held between schools across the country, with all learners competing to gain points for their school live from the site!
- E-xpanding Horizons: We collaborated with the Welsh language department at Aberystwyth University, in order to create a module of 'cynganeddu' sessions called 'Llun mewn Llinell' for talented learners in years 5 and 6.
- International Languages: We trialled a module of 4 German lessons with the Goethe Institut which proved to be extremely popular.

Ysgol Penparc:
Modiwl Llun mewn Llinell o'r Prosiect E-hangu Gorwelion

"Mae wedi bod yn fraint i ddysgwyr Ysgol Penparc i gyd-weithio gydag e-sgol ar y gwersi 'Llun mewn Llinell', fel rhan o'r prosiect 'E-hangu Gorwelion'. Roedden nhw'n wersi arbennig ar gyfer ein dysgwyr mwy abl a thalentog. Mae'r sesiynau wedi'u cynllunio'n arbennig gan roi'r lefel cywir o her, ac mae dysgwyr yn mwynhau mynychu'r sesiynau gan wneud gwaith sydd yn gymhleth ond wedi'i lunio mewn ffordd hwylus. Mae'r plant wir wedi mwynhau yn fawr ac rydym yn falch iawn o fod wedi cael y cyfle i gymryd rhan ynddyn nhw."

"It has been a privilege for Ysgol Penparc learners to work together with e-sgol on the 'Llun mewn Llinell' lessons, as part of the 'E-xpanding Horizons' project. They were special lessons for our more able and talented learners. The sessions are specially designed giving the right level of challenge, and learners enjoy attending the sessions, doing work that is complex but designed in an easy way. The children have really enjoyed and we are very proud to have had the opportunity to take part in them."

Trystan Phillips, Headteacher

Mwynhad y dysgwyr Learners' enjoyment **10/10**
Dargadwedd Session retention **10/10**

A oedd y sesiynau yn ddefnyddiol i chi fel athro?

"Oedden – cyflwynwyd y sgil mewn ffyrdd gwahanol gan fod y testun yn un heriol e.e. cynganeddu, wedi'i addysgu mewn ffordd hollol wahanol i natur addysgu pan oeddwn i'n blentyn ysgol."

Were the sessions useful to you as a teacher?

"Yes - the skill was presented in different ways as the text was challenging e.g. cynganeddu, taught in a completely different way to the nature of teaching when I was at school."

Camau Nesaf Next steps

"Buasem wrth ein boddau pe bai mwy o sesiynau tebyg yn cael eu cynllunio. Byddai rhai Mathemateg a Saesneg yn enwedig yn arbennig!"

"We would love it if more similar sessions were planned. Maths and English would be great!"

Uwchradd
